SEEPZ-SEZ/ADMIN/309/2009-10/VOL-IV/12242

Date: 08.10.2020

Public Notice No. 196/2020

Sub: **Implementation of E- Lock Super Signer for Digital Sign. Cert. (DSC).**

NSDL have come up with a solution for Digital Signature Certificate (DSC) to function properly, where a component called "**E-Lock Super Signer (Trusted component)**" will be made available which needs to be installed on each machine from which transactions would be submitted or processed. This will negate need for browser level settings. Installation of this tool will automatically apply the required settings. NSDL team is planning to implement this feature on 15th October 2020.

Therefore, all the SEZ Units and officials under the jurisdiction of Development Commissioner, SEEPZ-SEZ are hereby directed to download and install the application, link and procedure of installation given below:

E-Lock Super Signer Client Setup:

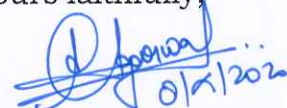

Step 1 - Download E-Lock Super Signer Client Setup EXE from this SEZ Online Download section, URL - <https://www.sezonline-ndml.com/doc/ElockClientNSDL.zip>

Step 2 - Unzip this ZIP file and run the EXE with Administrative rights

Step 3 - Click on "I agree" button when the following screen is prompted. (Please read all the Terms and Conditions carefully under License Agreement.)

These issues with the approval of the Competent Authority, SEEPZ-SEZ.

Yours faithfully,

(Anurag Agarwal)

Dy. Development Commissioner,
SEEPZ-SEZ.

To,

All Specified Officers of Private SEZs.
