Ref No.: SEEPZ-SEZ/ESTATE/AMC/520/2019-20/

Dated: 10.03.2022

Circular No. 14

Sub: Invitation for one-day conference/workshop on Electrical safety to be held on 21.03.2022, 11:00 AM at BFC Center, SEEPZ-SEZ, Mumbai-organized by SEEPZ-SEZ, in association with CEA (CEI Division/RIO (W)), Mumbai.

The Indian Power sector is growing rapidly and the infrastructure is expanding at a faster pace. As Electricity is reaching to all citizens of India, the risk of exposure to the electrical accidents are also increasing. Looking into the high number of electrical accidents due to unsafe use of electricity in hospitals, malls, hotels, residential buildings, factories, construction sites and other establishments, Electrical safety is assuming significant role in industrial safety across all sectors in particular and citizens in general. There is a need for the society at large to take cognizance of the issue and join hands to make electrical safety a social movement. In spite of various measures having been taken towards electrical safety, a number of electrical accidents are taking place throughout India. It is sad to note that the count of fatality due to electrical accidents is one of the highest in the world.

Accordingly a workshop/conference on Electrical safety will be conducted in collaboration with Central Electricity Authority, Regional Inspectorate Office (West) as per details below:

Date : 21.03.2022

Timings: 11:00 AM to 13:00 PM

Venue : BFC conference Hall.

It is requested to ensure maximum number of participants, Engineers/officers (Electrical safety officer and Electrical in charge of your organization) to attend this conference / Workshop.

The details of coordinating officers are as follows:

1. Shri. Viraj Matondkar, JE (Electrical), SEEPZ, (8082028874), Mumbai.
2. Shri. Vikram V. Thorat, IES, Assistant Director (9960673641) RIO (West), Mumbai.
