**Circular No. 02/2021**

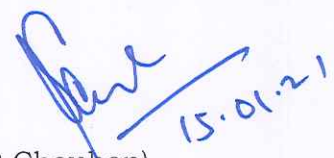

**Sub: Installation of RFID Readers/ Optical Character Recognition (OCR) Cameras at Industrial Zones, Manufacturing Hubs and SEZs for Last Mile Connectivity for National Industrial Corridor Development Corporation (NICDC)'s Logistics Data Bank (LDB) Project-Reg.**

Attention is invited towards Installation of RFID Readers/ Optical Character Recognition (OCR) Cameras in SEZs.

It is to inform that National Industrial Corridor Development Corporation (NICDC)'s Logistics Databank Project (LDB) is a smart community project between India and Japan, which aims to bring in visibility and efficiency across the current Indian Logistics environment by reducing the transaction cost and time delays in container transportation using Information Technology. The project has already been implemented across 17 ports in India covering CFS / ICDS and Tool Plazas etc. and providing enhanced visibility of 100% EXIM container movement. The project is also integrated with all ports Terminal Operating System and Freight Operations Information System for better visibility of container movement. Further, the EXIM Trade fraternity as suggested to install RFID Readers at Industrial Zones, manufacturing hubs, SEZ, in order to enhance the EXIM supply chain and to provide last mile visibility for the trade on container movements from Ports, CFS and ICD to manufacturing Industrial Zones, SEZs and other industrial hubs.

It is directed to install RFID Readers/OCR Cameras in your respective SEZs in order to enhance the EXIM supply chain and to provide last mile visibility for the trade on container movements from Ports, CFS and ICD to manufacturing Industrial Zones, SEZs and other industrial hubs.

For any further information for installation of RFID/OCR Cameras at SEZs, Mr. Surajit Sarkar, COO, NLDSL (Mobile No. 9716927806, Email: [surajit.sarkar@dldsl.in](mailto:surajit.sarkar@dldsl.in)) will be in touch to follow-up with all concerned and also Mr. Ashok, NLDSL (Mobile No. 8800162204) may be contacted, he is looking after all filed work.
