TCN/06-0021/2018-2019/0314

Date: 07-05-2019

TO WHOMSOEVER IT MAY CONCERN

This is to certify that I, the undersigned Chartered Engineer, on request of M/s. The Manjri Stud Farm Pvt. Limited (IT/ITES SEZ Developer), visited their site at S. No. 209, SP Infocity, Pune Saswad Road, Phursungi, Pune 412 308 in the state of Maharashtra to certify the Capital goods, Raw materials, Components, Consumables and various other goods required by them for their Authorised Operations in Processing Area / Non-processing area.

I understand that M/s. The Manjri Stud Farm Pvt. Limited is establishing a Multi-product / sector specific Special Economic Zone for IT/ITES after having been notified as an SEZ under SEZ Act, 2005 by Govt. of India, the Ministry of Commerce & Industry, Department of Commerce, New Delhi by the Government of India Notification No. 396 dated 11.04.2007. The authorised operations have been approved by the Board of Approval vide letter No. Ref. No.F.2/91/2005-EPZ dtd. 03.05.2007 and by default authorised operation from the date of notification as per letter No. F.5/1/2010-SEZ dtd. 15.03.2010 (INSTRUCTION NO. 50). They have submitted an application for the infrastructure development / maintenance of the same along with Authorised Operations-wise list of various material and equipment and spare parts thereof required for the same as per the details given in the list of goods / list of goods attached to the certificate.

After going through all relevant documents, scrutinized the above mentioned list of goods & equipments applying good engineering principles and based on my observations and assessment of the plans of the various structures / buildings within the SEZ require the attached list of goods for authorised operations viz. Electrical, Gas and Petroleum Natural Gas Distribution Network including necessary sub-stations of appropriate capacity, pipeline network etc., Air conditioning of processing area, Water treatment plant, water supply lines (dedicated lines up to source), sewage lines, storm water drains and water channels of appropriate capacity. Construction of all types of buildings in processing area as approved by the Unit Approval Committee, Power (including power back up facilities) for captive use only, Solid and liquid waste collection, treatment and disposal plants including pipelines and other necessary infrastructure for sewage and garbage disposal, sewage treatment plants.

I hereby confirm and certify that these are essential for the development and maintenance of the said SEZ.

I have verified the list of goods / materials, equipments and spare parts thereof attached herewith (Annexure I) and I hereby confirm and these materials, Equipments and Spare Parts thereof are essential to carry out the list of authorised operations in the Processing Area / Non-processing approved by Board of Approval.

I have verified the list of goods and equipments applied for by the developer and it is certified that these goods are essential and required for carrying out their authorised operations approved by Board of Approval or for authorised operations by default as per Ministry of Commerce & Industry vide letter No. F.5/1/2010-SEZ dtd. 15.03.2010.

Above information is true and correct to the best of my knowledge and belief.
