**Agenda No. 1:- Confirmation of Minutes of the meeting held on
17.05.2018**

The Minutes of the 31st Meeting held on 17.05.2018 confirmed.

Contd...2

**Agenda Item No.02: Application for setting up of a New Unit of
M/s.Garware
Technical Fibers Pvt. Ltd.**

The Committee observed that the unit vide letter dated 24.09.2018 requested for setting up of a new SEZ unit at MIDC-SEZ, Kesurdi for manufacturing Made up fishing net/cages, Boulder Net, Reinforces Rock Net (RRN) and Zink PVC coated Gabion.

It was brought to the notice to the committee that applican has applied for Units under MIDC -Kesurdi, SEZ which is a sector specific SEZ for Engineering Sector.

After hearing the representative of unit, committee further observed that the entire manufacturing process of the goods is manual and no machinery process is involved in this. It is also felt that the final manufactured product is Made up fishing Net/cages, Boulder Net, Reinforces Rock Net (RRN) and Zink PVC coated Babion which is classifiable under HSN 5607.

Hence committee is of the opinion that neither the proposed manufacturing activity nor the product to be manufactured falls under engineering sector.

In view of the above facts, proposal for setting up SEZ unit by M/s.Garware Technical Fibers Pvt. Ltd. in sector specific SEZ (MIDC-Kesurdi), which is for Engineering Sector, cannot be considered and hence committee rejected the proposal.

Meeting ended with a vote of thanks to the Chair.

**Chairperson - cum -
Joint Development Commissioner**
