Sir,

As desired by you, we are submitting herewith corrected copy of Form F duly signed by the authorized signatory. The revision of projections are necessitated for the reason that the existing projections were submitted in 2013 and since then there is a drastic change in the domestic as well as international market apart from the high-inflation noticed, as a result we have no option but to revise our import export and domestic procurement figures to cope up with the ongoing trend.

In view of the above, you are requested to kindly approve the revised projections as requested by us.

Thanking you,

Yours faithfully,

SUB: Revision of Projections Including Investment.
Ref: SEEPZ/NEEWSEZ/MIDC-SHENDRE/06/2012-13/4606,
dtd 18.04.2013

Dear Sir,

We have been issued letter of approval SEEPZ/NEEWSEZ/MIDC-SHENDRE/06/2012-13/4606, dtd 18.04.2013, for establishment of SEZ unit at Shendre SEZ at Aurangabad for manufacture and export of integrated by wiring harness, auto wiring harness, cable. You are aware that our project has been delayed for almost 3 years for the reason that the MIDC wanted to relocate/ shift our plot and setup the power station at the plot originally allotted to us. We took the possession of the re allotted plot on 21.10.2015 .The factory plan was approved by MIDC on 30.05.2016. There after we started procuring the material required for construction activities and started the construction activities in the month of Dec 2016. As on date more than 80% of the construction work has been completed till date. By now, we would have completed the entire construction work and might have commenced the production also but could not do so the MIDC took the 3 years in relocation the plant and granting approval to bldg plan and there was paucity of water also in the Aurangabad region, and for this reason we could not get the sufficient quantity of water required for carrying out the construction activities.

The letter of approval was issued on 18th April 2013 and submitted in Feb 2013 since then almost 5 years period has passed by hence the projections as well as investment details, have gone considerable changes owing to the high inflation witnessed in the market. As a result we have no option, but to revise our import/ export projections as well as the investment details mentioned by us in our application submitted they back on 28.02.2013. In view of this we are submitting the manually Form F showing the revised import/ export projections and investment details, with the request to kindly approve the same to enable us to meet the rising cost in the market.

Thanking You,

Your Faithfully,

Sir,

Sub: Submission of revised additional list of materials required for construction of factory building.

Ref: Letter of Approval No. SEEPZ/NEWSEZ/MIDC-SHENDRA/06/2012-13/4606 dated 18.04.2013 as amended.

Sir,

The lists of materials required for construction of factory building was approved vide your letter No. SEEPZ/NEWSEZ/MIDC-SHENDRA/06/2012-13/35800 dated 23.11.2016. We have already started the construction and nearly 85% of the work has been completed till date. The chartered Engineer's certificate has also been submitted to your office in this context.

At the time of obtaining the approval, the items mentioned in the attached list were not included in the list of material.

Vide our letter dt., 19.02.2018, we have submitted the additional list of materials for your approval. However, the same is still pending for consideration at your end. We have now revised the list of material required for construction activities and submitting the same along with the Chartered Engineer's Certificate. You are requested to kindly grant your approval to the revised list of material submitted with this letter instead of the list submitted vide our letter dt. 19.02.2018.

You are requested to kindly grant your approval to the revised additional list of materials required for construction activities at your earliest.

Thanking you,
