Agenda Item No. 01: Confirmation of the Minutes of the 46th meeting held on 26.04.2022

After deliberation, the Committee confirmed the minutes of the 46th meeting of Approval Committee held on 26.04.2022

Agenda Item No. 02: Approval for Request of the Broad Banding Facility submitted by M/s. Envipro Engineering Pvt. Ltd.

Committee observed that the unit has sought for Broad Banding to include manufacture of additional product and services with the present Capital Goods and raw material.

On being asked w.r.t. not carrying out any manufacturing activity as per the manufacturing of goods already approved, the Unit representative submitted that they had got a order for manufacture of the approved goods however, due to pandemic their order was kept on hold and subsequently cancelled. However, they had already placed order for procurement of raw material.

The unit representative further explained that the list of raw material required for the already approved goods as well as the goods for which the present broadbanding application has been filed is same, and that the existing capital goods / facility is sufficient to manufacture the additional products they have now sought for. They also submitted that they are in receipt of an order for the new products and accordingly they had submitted the request for broad banding.

Further, with regard to services, the unit representative explained that they are in receipt of orders from their DTA clients for fabrication work and engineering and design services ; that the existing facility is sufficient for providing the same and that their client will be providing the raw material and they only required to do the fabrication work for which they will be raising invoices for the services being provided. With regard to the observation raised w.r.t. Fashion designing mentioned in their request, the unit representative explained that the services being provided is a very complex process and they could not get a proper category to explain the process. However, they requested that the same may be ignored and approval granted for other categories.

Considering the above submission, after deliberation, the Committee considered and approved the request of the unit for Broad Banding of additional item of manufacturing and services as authorized operations, as detailed below, in terms of Rule 19(2) of SEZ Rules, 2006.
