**Agenda Item No. 1: Confirmation of Minutes of the meeting held on 05.12.2014.**

-----

The Minutes of the 44<sup>th</sup> Meeting held on 05.12.2014 were confirmed.

**Agenda Item No. 02: Approval to develop Multi level car parking- cum- commercial complex on vacant Plot( 12590 sq. m area) in Rajiv Gandhi Infotech, Phase-III, Hinjewadi, Pune.**

-----

The Developer has requested to grant permission for construction of Multi level car parking-cum- commercial complex in SEZ Area, on vacant plot (12590 sq. m area) in Phase-III, Rajiv Gandhi Infotech Park, Hinjewadi, Pune.

It was noted that the proposal is for development of multi level car parking-cum- commercial complex in SEZ area. Instruction No.35 lists default operation of developer/ approved co-developer, in which construction of multi level car parking appears at Sr. No.19

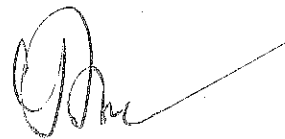

*As per Instruction No.35, the DC's/UAC's may allow Developer/approved co-developers duty free material for these default authorized operations from the date of notification of the SEZ. These authorized operations will, however, continue to be subject to the various guidelines issued by Government from time to time.*

For Commercial complex, the proposal will require approval of BOA. The representative of the developer stated that so far the construction of compound wall at certain portion of the compound wall is still incomplete due to one reason or the other.

In the view of above, the proposal has to be revised by the MIDC excluding commercial complex. Further, the work of construction of compound wall needs to be completed by the developer before allowing any duty free procurement or goods for the common area.

Considering the above, the proposal was deferred.

The meeting ended with the vote of thanks to the Chair
