## CERTIFICATE

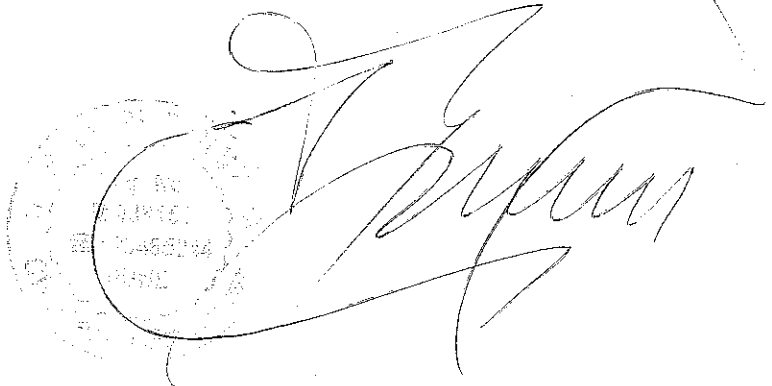

*To whomsoever it may concern :*

In my capacity as Chartered Engineer, I am called upon by M/s. SEZ Bio-Tech Services Pvt. Ltd. from time to time to certify **essentiality of various capital and other goods required by them for establishment of Poonawalla Biotechnology Park SEZ, Manjari Budruk, Pune in the state of Maharashtra.**

I find that M/s. SEZ Bio Tech Services Pvt Ltd has already started establishing a sector specific Special Economic Zone for Bio-Tech Sector after having been notified as SEZ under SEZ Act, 2005 by Government of India, The Ministry of Commerce and Industry, Department of Commerce, New Delhi, by the Government of India Notification, No. S.O.651(E) dated 29.03.2012 and S.O. 341(E) dated 08.02.2013. The authorized operations have been approved by the Board of Approval vide letter No. F.1/18/2011-SEZ dated 27.09.2012 and 17.07.12 in addition to those covered by SEZ Instruction No. 50 dated 15.03.2010.

Ministry of Commerce and Industry, Dept. Commerce, SEZ Section, New Delhi has granted approval of M/s. SEZ Bio-Tech Services Pvt. Ltd. as a Developer in the said Sector Specific Special Economic Zone for Bio-Tech Sector vide approval No. F.1/18/2011-SEZ dated 27.03.2012 and 17.12.2012 for providing infrastructure facilities in the said Special Economic Zone. The envisaged/approved development activities have already started. Approval for various capital and other goods have also already been accorded by the Development Commissioner, SEEPZ, vide their letters Nos. SEEPZ/NEWSEZ/SBPL-PUNE/334/2011-12/5186, dated 02.05.2014, SEEPZ/NEW-SEZ/SBTPL-PUNE/334/2012-13/VOL.III/1928 dated 30.01.15, SEEPZ/NEWSEZ/SBTPL-PUNE/334/12-13/VOL.II/11173, dated, 17.07.15, SEEPZ/NEWSEZ/SBTPL-PUNE/334/12-13/VOL.III/17990 dated 19.11.15 and SEEPZ/NEWSEZ/SBTVPL-PUNE/334/12-13/VOL.III/01255, dated 10.03.16.

During my professional visit to SEZ Bio-Tech Services Pvt. Ltd today, i.e. 21.04.16, I found that with expansion activities further envisaged by the Developer, there is a necessity to enhance quantities of two of the items which were approved earlier, namely Lift/ Elevators and High Density Polyethylene (HDPE) Pipes, which I had certified earlier, vide CE Certificate no. SGP/CEC/2k14/0211 dated 17.02.14. The quantities and values of these items approved earlier and the enhancement in quantities and values sought now are as per details given in the table below :-

The image shows a handwritten signature in black ink over a circular stamp. The stamp contains the text 'CHARTERED ENGINEER & REGISTERED VALUER' and 'PUNE' around the perimeter, with some illegible text in the center. The signature is written in a cursive style.

TABLE

Approved Description of Goods	Approved Qty	Approved value (Rs. in lakhs)	Enhancement in quantity sought	Enhancement in Value sought (Rs in lakhs)	Total quantity after enhancement.	Total value after enhancement. (Rs. in lakhs)
Lift/ Elevators [C.E. Certificate No. SGP/CEC/2k14/0211, dated 17/2/14]	25 Nos.	800	25 Nos.	800	50 Nos.	1,600
H.D.P.E (High Density Polyethylene ) Pipes [C.E. Certificate No. SGP/CEC/GJY/0203, dated 03/02/16]	6,600 R. Mtrs.	79	3,500 R. Mtrs.	42	10,100 R. Mtrs.	121

I hereby certify that these items are very much essential for their authorized operations in the processing and non-processing areas and thus also needs to be procured for the infrastructure development of the SEZ. I hereby confirm that enhanced quantity of these items have been verified by me and the information submitted is true and correct.

*Development of the SEZ for the Biotech sector being an ongoing activity, it is quite logical and obvious that there would be changes/alterations/additions in the requirement of materials for carrying out various operations in the processing / non processing areas during the execution of the project activities, in whatever has been planned and accordingly got approved.*

The block contains a large, stylized handwritten signature in black ink. Below the signature is a circular official stamp, which is partially obscured by the signature and appears to contain some text and a central emblem, though the details are not clearly legible.
