Date: 23.07.2015

CIRCULAR NO. 12 /2015

Sub: Procedure of Clearance of Garbage

- The successful bidder should take gate pass/ challan from Caretaker for removal of garbage.
- After removal of garbage scrap details should be submitted to caretaker.
- Caretaker will submit the challan copy to Estate Section for bill payment.
- After Estate Section (Bill Section) will prepare bill of scrap within same day.
- The successful scrap dealer should make payment before taking next consignment, failing which the gate pass/ challan will not be issued, till the clearance of the payment.
- The successful bidder would not be permitted to enter in various units for collection purpose. If so found, then the contract would get terminated immediately and EMD would be forfeited.
- The disposal is to be effected every alternate day in a week, on every Monday, Wednesday and Friday from the designated dumping place.
- The loading of the scarp will be video graphed under the supervision of SEEPZ caretaker.
