Based on the business plans indicated in the project report submitted alongwith the initial application while setting up the SEZ unit, and identification of fresh opportunities, the Company wishes to expand their operations. In view of this, we now propose to lease additional area and expand the unit to enable us to carry on our operations according to the revised business plans/ projections and to achieve the revised Net Foreign Exchange. The relevant details in this regard are as follows:

1. Background

VWIPL, a company incorporated under the Companies Act, 1956, has manufacturing facility at Chakan, Pune, wherein VWIPL also imports auto parts for assembly and manufacture of various models of its brands – including the Polo, Vento and Rapid.

2. Authorised operations:

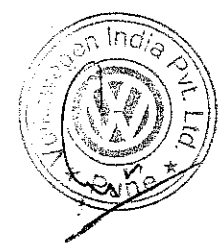

VWIPL is engaged in providing services in the nature of Information Technology Software Services to from its SEZ Unit located at M/s Pune Embassy Projects Private Limited – SEZ, Hinjewadi, Pune. As mentioned in the LoA, VWIPL is authorized to undertake Development of IT Software/ Electronic Hardware for Exports, Rendering IT enabled services for software exports and Execution of Onsite Consultancy projects at customer site abroad.

3. Proposed expansion:

VWIPL has identified new opportunities; and to deliver and cater to its future business growth, VWIPL proposes to expand the operations of its existing SEZ unit by acquiring additional premises on the 10th floor of the same building/ campus.

Presently, the SEZ unit is approved for an area admeasuring 23,318 sq. ft. at M/s Pune Embassy Projects Private Limited – SEZ, 9th Floor Block No 3 (Cargo), Plot No 3, Rajiv Gandhi IT Park, Phase-II, Hinjewadi, Pune 411057 – in the State of Maharashtra.

As stated above and based on the revised business plan, more space would be required to be leased to cater to the business needs. With a revised and more strategic business plan, we feel it prudent to acquire the additional floor in the same building/ campus which would help us to exercise better control, save time and leverage on the existing investments.

We now intend to expand our premises for additional area admeasuring approximately **25,401 sq. ft.** for the premises located at **M/s Pune Embassy Projects Private Limited – SEZ, 10th Floor Block No 3 (Cargo), Plot No 3, Rajiv Gandhi IT Park, Phase-II, Hinjewadi, Pune 411057.**

The proposed premise is located in the same building as our existing unit and would enable us to easily consolidate the operations in the expanded premises. Subsequent to the proposed expansion, the SEZ unit would operate from a single unified location.

In this connection, a copy of the letter of intent from the Developer indicating availability of the space as well as confirmation of infrastructure support, as required under Rule 5A of Special Economic Zones Rules, 2006 ('SEZ Rules') is enclosed as *Annexure 1*.
