2015-16 (up to December 2015)	18674.90	7836.00	50.00

In this connection, the unit has stated that, KEY has function exactly like key in general term with lock. It is meant for to dislocate two joined pieces into two separate pieces or to join two separate pieces into one integrated pieces. It may be made of either precious or non precious metals.

Further, the unit has stated that in the product development, they are facing a few technical issues like hardness of metal from which KYE is made. It cannot be made from precious metal to curtail cost. As such, they are left with only option to made the same in silver or non silver based alloys they have reach required standard in metal and its strengths as expected by the buyers internationally in such types of products.

The request of the unit for broad banding of items viz., "Key made of Silver Based Alloy or Non Silver Based Alloy" is submitted for consideration of UAC.
