  - Bid Security declaration furnished in accordance with Annexure I;
  - Bidder Information Form as per Form provided in Section 6: Bidding Forms;
  - Documents establishing Bidders' eligibility and qualification in accordance with Forms given in Section 6: Bidding Forms;
  - Any other document as required in the ITB or BDS
  - An Undertaking duly signed on the letter head from the Bidders to the effect that they agree and abide by the clauses / conditions of Bidding Documents issued by the Procuring Entity and any amendment made thereafter.
- b) Bidder's financial bid shall comprise the financial quote submitted in the excel template published along with these bidding documents.

### **12. Financial Quote**

The Bidder shall use the financial proposal template uploaded along with this RfP for preparation of their financial proposal. The Bidder shall make its financial offer in INR only net of GST and all other taxes and duties payable on the services if the contract is awarded, as specified in the BDS.

### **13. Period of Validity of Bids**

- a) Bids shall remain valid for a period of 180 days from the deadline of submission of

bids unless otherwise specified in the Bid Data Sheet.

- b) In exceptional circumstances, prior to the expiration of the bid validity period, the Procuring Entity may request Bidders to extend the period of validity of their bids. The request and the responses shall be made in writing. A Bidder may refuse the request without forfeiting its Bid Security. A Bidder granting the request shall not be required or permitted to modify its bid.
- c) The Bidder who agrees to the extension of the period of validity of bids so requested by the Procuring Entity shall also extend the period of validity of bid securities submitted by them or submit new bid security to cover the extended period of validity of their bids. A Bidder whose bid security is not extended or new bid securities not submitted shall be considered to have refused the request to extend the period of validity of its bids and rejected as non-responsive. The decision of Procuring Entity will be final and binding in this regard.

#### **14. Bid Security**

The Bidder shall furnish as part of its bid, a bid security declaration duly signed on the letterhead as specified in the BDS. Any bid not accompanied by a Bid Security declaration in the required format shall be rejected by the Procuring Entity as non-responsive.

#### **15. Format and Signing of Bids**

- a) The technical bids comprising all documents specified under ITB Clause 11 a) may be compiled into a single PDF document. All pages in the document should be serially numbered and an index specifying contents of the bid should be populated at the beginning of the document.
- b) Authorized signatory of the bidder shall sign, either physically or digitally, on each page of the bid. This signature should be accompanied by bidder's official seal.
- c) The financial bid must be submitted in the MS excel template provided with the bidding documents.

### **D. Submission and Opening of Bids**

#### **16. Sealing, Marking and Submission of Bids**

- a) Bidders shall submit their bids online and also by post or by hand or drop in the box earmarked by the SEEPZ SEZ authority in its office. The technical and financial bids must be sealed in separate envelopes and then enclosed together in a larger envelope. Each envelope shall bear the following details:
  - Tender ID / Bid Ref. No. and Tender Title (subject matter of procurement);
  - Complete postal address of the Procuring Entity (SEEPZ SEZ Authority);
  - Name and complete address along with the mobile, telephone number and email address of the Bidder;

- A warning 'not to open before the time and date for bid opening' as indicated in the Bidding Documents
- b) If all envelopes are not sealed and marked as required, the SEEPZ SEZ authority will assume no responsibility about its consequences viz. misplacement or premature opening of the bid.
- c) Online submission of bids shall be carried out in accordance with the instructions given under Annexure II.

### **17. Deadline for Submission of Bids**

- a) Bids must be received by the Procuring Entity online on the e-procurement portal and at the address specified in the BDS no later than the date and time specified in the BDS.
- b) The date of submission and opening of bids shall not be extended except when:
  - sufficient number of bids have not been received within the given time and the Procuring Entity is of the opinion that further bids are likely to be submitted if time is extended; or
  - the Bidding Documents are required to be substantially modified as a result of discussions in pre-bid meeting or otherwise and the time for preparations of bids by the prospective Bidders appears to be insufficient for which such extension is required.
- c) In cases where the time and date of submission of bids is extended, an amendment to the Bidding Documents shall be issued in accordance with ITB 10.

### **18. Late Bids**

The e-procurement portal does not permit late submission of bids. With regards to the physical submission of bids, the SEEPZ SEZ authority's officer authorized to receive the bids shall not receive any bid that is submitted personally by hand or by courier after the time and date fixed for submission of bids under any circumstances.

### **19. Opening of Bids**

- a) The technical bids shall be opened online on the date and time stipulated in the BDS.
- b) In exceptional circumstances, if the procuring entity is faced with any technical issues while opening the bids online, with due certification of the Bid Evaluation Committee on the nature of such technical exception, the physical bids in hard copy shall be proceeded to be evaluated with after due approval of Competent Authority. In such an event, the date of bid opening shall be the same as the one stipulated for online bid opening unless separately publicly notified by the competent authority.

- c) After due evaluation of the technical bids, the procuring entity shall notify the technically qualified bidders regarding the date of financial bid opening by giving at least 3 days' advance notice on the e-procurement portal.
- d) The financial bids of only technically qualified bidders shall be opened.

## **E. Evaluation and Comparison of Bids**

### **20. Confidentiality**

- a) Information relating to the evaluation of bids and recommendation of contract award, shall not be disclosed to Bidders or any other persons not officially concerned with the bidding process until the same is published officially on the e-procurement portal for information of all Bidders.
- b) Any effort by a Bidder to influence the Procuring Entity in the evaluation or contract award decisions may result in the rejection of its Bid.

### **21. Preliminary Examination of Bids**

- a) The Bid Evaluation Committee constituted by the Procuring Entity shall conduct a preliminary scrutiny of the opened bids at the beginning to assess the prima-facie responsiveness and record its findings thereof particularly in respect of the following:
  - that the bid is complete and duly signed by authorized signatory;
  - that the bid is valid for the period, specified in the Bidding Documents;
  - that the bid is accompanied by Bid Security declaration;
  - that the bid is unconditional and that the Bidder has agreed to give the required performance security; and
  - any other specific requirements put forth in the bidding documents.
- b) Bids failing to meet these preliminary requirements shall be treated as non-responsive and shall not be considered further for evaluation.

### **22. Immaterial Non-conformities**

- a) The Bid Evaluation Committee may waive non-conformities in the bid that do not constitute a material deviation, reservation or omission and deem the bid to be responsive;
- b) The Bid Evaluation Committee may request the Bidder to submit necessary information or documents which are historical in nature like audited statements of accounts, tax clearance certificate, PAN, etc. within a reasonable period of time. Failure of the Bidder to comply with the request within the given time shall result in the rejection of its bid;
- c) The Bid Evaluation Committee may rectify immaterial non-conformities or omissions

on the basis of the additional information or documentation received from the Bidder.

### **23. Determination of Responsiveness**

- a) The Bid Evaluation Committee constituted by the Procuring Entity shall determine the responsiveness of a bid to the Bidding Documents based on the contents of the bid submitted by the Bidder;
- b) A bid shall be deemed to be substantially responsive if it meets the requirements of the Bidding Documents without any material deviation, reservation, or omission where: -
  - i. "deviation" is a departure from the requirements specified in the Bidding Documents;
  - ii. "reservation" is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the Bidding Documents; and
  - iii. "omission" is the failure to submit part or all of the information or documentation required in the bidding documents.
- c) A "material deviation, reservation, or omission" is one that, if accepted, shall:-
  - i. Effect in any substantial way the scope, quality, or performance of the subject matter of procurement specified in the Bidding Documents; or
  - ii. Limit in any substantial way, inconsistent with the Bidding Documents, the rights of the Employer or the obligation of the Bidder under the proposed contract; or
  - iii. If rectified shall unfairly affect the competitive position of other Bidders presenting responsive bids;
- d) The Bid Evaluation Committee shall examine the technical aspects of the bid in particular to confirm that all requirements of Bidding Documents have been met without any material deviation, reservation or omission;
- e) The Bid Evaluation Committee shall regard a bid as responsive if it conforms to all requirements set out in the Bidding Documents, or contains minor deviations that do not materially alter or depart from the characteristics, terms, conditions and other requirements set out in the Bidding Documents, that is, there is no material deviation, or if it contains errors or oversights that can be corrected without any change in the substance of the bid;
- f) Bids that are not responsive or contain any material deviation shall be rejected. Bids declared as non-responsive shall be excluded from any further evaluation.

### **24. Non-conformities, Errors and Omissions**

- a) Provided that a Bid is substantially responsive, the Bid Evaluation Committee may waive any nonconformity in the Bid.

- b) Provided that a bid is substantially responsive, the Procuring Entity, being SEEPZ, SEZ authority or authorized representative may request that the Bidder submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities or omissions in the bid related to documentation requirements. Such omission shall not be related to any aspect of the price of the Bid. Failure of the Bidder to comply with the request may result in the rejection of its Bid.
- c) Provided that a bid is substantially responsive, the Bid Evaluation Committee shall rectify quantifiable nonmaterial nonconformities related to the Bid Price. To this effect, the Bid Price shall be adjusted, for comparison purposes only, to reflect the price of a missing or non- conforming item or component.

## **25. Evaluation of Bids**

- a) Technical evaluation of bids shall be carried out based on the criteria stipulated under 'Section 4 – Evaluation and Qualification Criteria'. The evaluation committee shall not adopt any other criteria other than the ones already stipulated in the bidding documents.
- b) The evaluation of financial proposal will include and take into account the GST payable on the services if the contract is awarded to the Bidder. The bidder required to include all applicable taxes in its price proposal. SEEPZ SEZ Authority will not be liable to pay any amount in addition to the quoted amount towards taxes.
- c) The Procuring Entity's evaluation of a bid may require the consideration of other factors, in addition to the bidder's financial offer. These factors may be related to the characteristics, performance, and terms and conditions of purchase of Non-Consultancy Services. The effect of the factors selected, if any, shall be expressed in monetary terms to facilitate comparison of bids, shall be specified in Section IV - Qualification and Evaluation Criteria.

## **26. Right to Accept Any Bid and to Reject Any or All Bids**

The Procuring Entity reserves the right to accept or reject any bid, and to cancel / annul the bidding process and reject all bids at any time prior to contract award, without thereby incurring any liability to the Bidders for which the Procuring Entity shall keep record of clear and logical reasons properly for any such action / recall of bidding process. In case of cancellation / annulment, all bids submitted and specifically, bid securities, shall be promptly returned to the Bidders

## **F. Award of Contract**

### **27. Award Criteria**

- a) Subject to its bid being technically qualified, unconditional and complete, the bidder offering the highest rate shall be considered for award of contract.

b) The bidder shall offer rates higher than the rates mentioned in the table given below –

## Annexure II - Instructions for Online Bid Submission

Bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

### REGISTRATION

1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link "Online bidder Enrollment" on the CPP Portal which is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

### SEARCHING FOR TENDER DOCUMENTS

1. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
3. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

## **PREPARATION OF BIDS**

1. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

Note: My Documents space is only a repository given to the Bidders to ease the uploading process. If Bidder has uploaded his Documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.

## **SUBMISSION OF BIDS**

1. Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. Bidder has to select the payment option as "offline" to pay the tender fee / EMD as applicable and enter details of the instrument.
4. Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
5. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given

as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

6. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
7. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener's public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
8. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
9. Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
10. The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

### **ASSISTANCE TO BIDDERS**

1. Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
2. Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk.

Bidders may avail the free training on the use of e-procurement system as per the schedule published at the following link: <https://eprocure.gov.in/cppp/trainingdisp>. In case of any further queries, please contact Shri Amit Patra at +91-9664664208 during office hours i.e. between 10 AM till 6 PM on weekdays.
