- **Reason for Merger:** The main intent of the management is to consolidate their operations under one unit only instead of maintaining multiple separate units with separate books of accounts and records keeping, so that compliances, operations, administration etc. can be handled effectively with common team. The detailed reasons given for the merger of LOAs are as below:
  - a. **Cost Optimization:** All Units shall be merged, thereby reducing operational and maintenance cost and effectively due to consolidation as only one support team can take care of all admin related activities.
  - b. **Better control and monitoring:** It will be easier for operational team members to work effectively as a single team rather than multiple teams sitting in different units. This will help in faster and timely completion of project.
  - c. **Working together :** Since their team's works on various projects at the same time, therefore, if they bifurcate teams at multiple different locations in separate units, then it creates a hindrance in terms of working together at one place and then project gets affected.
- **Documents Enclosed**

The unit has submitted the following documents:

  - a. Copies of LOA of all the units
  - b. Copy of Form F 3 filed through SEZ Online system.
  - c. Copy of Board resolutions authorizing authorized personal as authorized signatory
  - d. Revised Foreign Exchange Balance Sheet

I/4358/2024

- e. Copy of F1 of Unit 1 submitted during Renewal of LOA Application
- f. Copy of all APR of all Units;
- g. List of Imported and Indigenous Capital goods & Services
- c. **ADC observations:**

- As Date of Commencement of 01.10.2014, upon merger of all the three LOAs of the unit, the block period of Unit-1 will be considered for calculating NFE of the merged units i.e., FY 2021-22 to FY 2025-26.
- The Projections of Exports, NFE and Employment after Post merger of all the 03 units are higher.
- The Approval Committee may kindly consider the proposal of the units for merger of their LOAs, in terms of 4<sup>th</sup> proviso of Rule 19(2) of SEZ Rules, 2006.
