The Chairperson welcomed the Members of the SEEPZ-SEZ Authority and Special Invitees and thereafter Agenda was taken up for discussion.

Agenda Item No. 1: Confirmation of the Minutes of the 41st Meeting held on 07.08.2020

The Minutes of the meeting held on 07.08.2020 were approved with consensus.

Agenda Item No. 2: Proposal for allotment of space in BFC Bldg. (Non-processing area), SEEPZ SEZ

The Authority was briefed that there are vacant spaces on the ground floor, 3rd floor and 4th floor of the BFC Building which can be allotted to eligible entrepreneurs/organization on a 5 yearly lease basis and on the prevailing rent for creating social or commercial infrastructure and other facilities to be used only in terms of Rule 11 A of the SEZ Rules 2006.

Representatives of SGJMA, SEEMA, EPCES were present. After deliberation, it was noted as follows:

- i. Authority held the view that the available space on the 4th floor of BFC Building on one side, admeasuring approx. 243 sq. mtrs, may be considered for allotment on the prevailing rent, BMC and service charges to a council/ trade body already active and working in SEEPZ. In the other portion on the same floor, the office of DC, SEEPZ, is already making its modern record room and vacant space on this floor is not suitable for commercial activities.
- ii. The Gems & Jewellery Skill Council has requested for space for their training activities including an innovative activity i.e. Artificial Intelligence training.
- iii. The Trade representatives of SGJMA, SEEMA, EPCES are in agreement with the said proposal for allotment of space as this would benefit the unitholders and the training centre is expected to help women and less privileged people (deaf and dumb) and generate employment.
- iv. Also, as on date there is no requirement of space by any of the trade bodies active at SEEPZ except the G&J Skill Council.
- v. G&J Skill Council confirmed that if allocated the space, they will not request in future for reduction of rent or other applicable charges. They further confirmed that they would be vacating the presently occupied space at 3rd floor of BFC building upon allocation of this bigger space on 4th floor.
- vi. G&J Skill Council informed that their activities would not be confined to SEEPZ SEZ.
- vii. Since all the councils/ trade bodies active and working in SEEPZ were already present, advertisement for this space would not be required, also because there is no reduction in the rent etc.

However, the Council was asked to furnish the detailed proposal, write up of the said activities and the plan of action in hand and executed in the past 6 months. They were also asked to elaborate the usefulness of their activities for the SEZ units.

In respect of remaining two spaces and the space to be vacated at 3rd floor by G&J Skill Council in case allocated space on 4th floor, it was decided to allot the same on advertisement and on receipt of applications from the eligible entrepreneurs/organizations for creating social or commercial infrastructure/facilities in non-processing area as per Rule 11 A of the SEZ Rules, 2006.

Agenda Item No.3: Proposal for implementation of reduction of tariff charges for electricity in SEEPZ SEZ.

The Authority was briefed about the procedure w.r.t. reduction in the tariff charges for electricity. Ministry was also requested to intervene in the said matter and to convey GoM to urge the concerned department for reduction in the power tariff rates.

MoC, vide their communication dt. 21.07.2020, had sought clarification as to how the proposed distribution licence will help in reduction in the power tariff. Accordingly, SEEPZ SEZ Authority in its communication dt. 29.07.2020 had conveyed to MoC that, as per the provision of SEZ Act 2005 and provisions of Electricity Act, 2003, all SEZs are deemed distribution licensee for supply of electricity within their SEZ area and in the event of SEEPZ operationalizing their status of deemed distribution license and operating as separate licensee, a separate tariff would be determinate which would help majority of consumers and eliminate cross subsidy and the tariff can be reduced from the present rate resulting in lower power cost to consumers. MoC had then informed SEEPZ that the matter should be finalised by the Zone itself observing the provisions of SEZ Act/Rules and GFRs. Ministry had informed that Power Secretary has already been requested for intervention in the said matter to arrive at a appropriate mechanism.

After deliberation, the Authority approved the proposal and agreed to float a tender viz. Expression of Interest. It was further decided that to scrutinize the EOI to be received in response to the advertisement, a committee to be formed which should include at least two members from trade who have been active in the process so far and for better understanding of the nitty gritty of the matter. Based on the receipt of the bids on Expression of Interest, a Consultant may be appointed for the execution of the said proposal, if needed. The Co- Developer agreement to be executed should be drafted carefully to avoid any future litigations and losses and should be vetted by a Legal Counsel/Contracts expert and preferably also by an expert in the field of power distribution.

Agenda Item No.4: Proposal for extension of Annual Maintenance Contract for Mechanized/Manual Cleaning work and Housekeeping Services for SEEPZ SEZ campus as well as SEEPZ Residential Complex (Govt. Quarters) for the year 2020-21.

Authority was briefed that the present service provider, vide communication dt. 29.07.2020, has conveyed their willingness and requested to extend contract for financial year 2020-21 on same rate and other terms &

conditions, as stipulated in the tender notice dt. 18.07.2019 & work order dt. 01.11.2019.

Further as per the directions of the Authority in its meeting held on 07.08.2020 the estate section had inspected the Zone and found that the machines used for the said cleaning are as per the conditions of the tender document and are functional in the Zone. The services of the agency were found satisfactory and after certificates issued by the trade committee, constituted in this behalf, payments were released to the contractor every month. The mechanism of complaints and redressal of the same is already functional in the zone in form of Facilities/cleaning module on SEEPZ's website. Also, the pseudonymous complaint received in this behalf was found baseless and without any substance. Annexure A, attached to the agenda detailed the issues raised by the said pseudo complainant and its pointwise reply on examination.

Further the Authority was informed that as per clause of "CANCELLATION/REJECTION/TERMINATION/EXTENSION OF CONTRACT" Sub Point (7) & (8) of the Tender Notice dt. 18.07.2019 and work order dt.01.11.2019, *if the Zone Administration wishes to extend the mechanized/manual cleaning work and housekeeping services contract, the same will be done at the same rate as approved under the tender clause.*

After deliberation, the Authority approved the proposal for extension of existing contract of "Mechanized/ Manual Cleaning work and Housekeeping Services for SEEPZ SEZ campus as well as SEEPZ Residential Complex (Govt. Quarters) for a further period of three months till 31.01.2021 or till finalization of new agency, whichever is earlier, on same terms and conditions of the work order dt. 01.11.2019 at the same rate, as it is more advisable in the interest of the Zone and the workers employed by the contractor that there should not be any immediate disturbance under the present unprecedented circumstances of Covid-19. It was further decided to procure the said services, as per requirement of Zone and under same terms and conditions, through GeM, if available there failing which open tender process may be followed as per GFRs.

Authority has directed that the contractor to ensure that the work executed by their labourers, related to cleaning of drainage, gutters or in the buildings at height etc. should be carried out under the supervision of the supervisor so as to avoid any untoward incident and for ensuring safety of the workers. The service provider should also ensure regular mechanized cleaning.

Agenda Item No.5: Proposal for implementation of Solar Power Project by MEDA under RESCO model.

Authority was briefed that the implementation of solar power project was re-examined in consultation with MEDA as per the directions of the Authority in its 41st meeting and it was conveyed by MEDA that they have agreed for RESCO model where MEDA would implement the project through nominated developers and maintain the same for a period of 25 years. SEEPZ SEZ Authority need not own the responsibility towards plant maintenance post implementation of the Plant. Representative of MEDA had conveyed that SEEPZ will get the electricity at the discounted rate of Rs. 2.74/- per unit against the current Electricity Tariff of DISCOM rate of Rs. 11/- per Unit being charged by Adani Electricity, and that this a standard fixed rate for Government establishments.

Authority observed that Solar Energy Corporation of India Ltd. had also conveyed that they are also developing solar projects which can be installed in CAPEX or RESCO model.

MEDA representative stated that a Power Purchase Agreement has to be executed between the developer and the SEEPZ Authority. The said agreement is a standard agreement and has been vetted by Ministry of Finance and Ministry of Law & Justice.

After detailed deliberation, the Authority approved the proposal in principal for RESCO model and also execution of the Power Purchase Agreement. However, Authority was also of the opinion that the proposal of Solar Energy Corporation of India Ltd. may be examined and they may be asked to quickly furnish their detailed proposal including the rate per unit of the power under RESCO model for comparison with proposal of MEDA before awarding the contract to MEDA.

Agenda Item no. 06: Proposal for honorarium to the existing govt. staff for attending the Authority related work and providing vehicle to the Secretary of the Authority.

Authority was apprised that as there are no regular staff to discharge the Authority related work, the existing staff may be granted honorarium for discharging additional responsibilities of the Estate

Management section, as being done in past also. Hence it is proposed that a honorarium may be defined and granted in the following manner :-

1. Assistant = Rs. 6000/-
2. UDCs = Rs. 4000/-
3. Caretakers = Rs. 2000/-

Also, the Authority was briefed that instead of granting honorarium to Secretary, the vehicle already hired under Authority may be utilized by Secretary for pick up and drop from his residence to office and back.

After detailed deliberation, the Authority approved the proposal of granting honorarium to the staff i.e. Assistant, UDCs and Caretakers subject to the condition that the same should not exceed 10% of their basic pay. Also, Authority approved the proposal of providing Authority vehicle to Secretary for commuting from his residence to office and back.

Agenda Item no. 07: Proposal for purchase of EDI stationary for security gate passes.

Authority was informed that as per the decision and directions of the Authority in its 41st meeting held on 07.08.2020, the 5 bids thus received were opened on 19.08.20 and scrutinized. On Technical scrutiny only 3 bids i.e. agencies were qualified for Financial bid as per the Tender notice dated 22.06.2020 with all relevant technical capabilities. It was observed from the financial bid by the tender committee that M/s PLACARDS have quoted lowest price among all other bidders and became L1 @ rate of Rs 24.75/- per card which is much higher than the proposed in-house arrangement @ rate of Rs. 15.05 for the materials to be procured through GeM portal.

After deliberation, the Authority held the view that as can be seen from the bid quoted by the L1 bidder, it is much higher than the proposed in-house arrangement, hence the Authority directed to initiate action for re-tendering and extended the present contract till the finalization of the new agency or the implementation of the proposed in-house arrangement.

The Meeting ended with a vote of thanks to the Chair.

This issues with the approval of the Chairperson of SEEPZ SEZ Authority.

AGENDA ITEM NO. 03

a) Proposal: -

Proposal for reconciliation of BMC Taxes for the period 2011-12 to 2014-15.

b) Specific Issue on which decision of UAC is required: -

Approval for reconciliation of BMC Taxes for the period 2011-12 to 2014-15.

c) Relevant provisions of SEZ Act, 2005 & Rules, 2006/Instruction/Notification:-

Rule 6 (1) (iv) of SEZ Authority Rules, 2009.

d) Other Information:-

In order to overcome the shortcomings of the old system, BMC Authorities had introduced Capital Value based property tax system. The implementation has been carried out in the month of December 2012 with the retrospective effect of 01.04.2010 by amending the law as per due process. The amendments to the BMC Acts came into force from 01.04.2010. Corporation has also passed a resolution bearing No.1091 of 27.01.2010 approving the change over from the Rateable Value System to the Capitalized Value System with effect from 01.04.2010.

The BMC Authorities had assessed the building based on the Rateable value since inception i.r.o. Govt. Leased buildings. However, as per the latest notification of BMC Authorities no. 1091 dt. 27.01.2010 the rate has been revised w.e.f. 2010 from rateable to capital value system.

The Authority in its 29th & 33rd Authority meeting held on 23.06.2016 & 10.07.2017 had held the view that the credit to the unitholders would be given w.e.f. 2010 after due reconciliation.

The BMC taxes rates based on the revised rate has been done for the period 01.04.2015 onwards and credit has been given in the books of accounts.

...2/-

It is to mention that the reconciliation for the period 2011-12 to 2014-15 has been done and Rs. 2.72 crores is to be shown as credit in the books of accounts. The details of the credit to be shown for the period 2011-12 to 2014-15 are as under :-

Total BMC excess collected	=	5.83 cr
Less : Pending Assessment of BMC of SDF-VI & BFC Bldg.	=	2.81 cr.
Less : Confirmation on levy of taxes on stilt/basement etc.	=	0.05 cr.
Less : Adjusted the total outstanding dues of the debonded/ Yet to debond units and show the balance as income	=	<u>0.25 cr.</u>
Balance to be shown as credit in the books of accounts	=	2.72 cr.

E) Recommendation of Estate Manager :-

The proposal for reconciliation of BMC Taxes for the period 2011-12 to 2014-15 is placed before the Authority for consideration.

Credit balance of Rs. 8.82 lakhs is with MIDC which has been adjusted in the subsequent work.

On completion of the work by MIDC -

- (i) AMC of High Mast, Street light and electrical installation in SEEPZ Zone and Residential complex was given by MIDC to M/s. Interlight @ Rs. 29,96,189/- on 27.08.2013 for a period of one year w.e.f. 28.08.2013 to 27.08.2014. Existing contract expired and SEEPZ SEZ Authority took over the AMC and M/s. Interlight was granted work order dt. 28.02.2018 for AMC of high mast, street light and electrical installation in Zone and quarters @ Rs. 29,96,189/- for 3 months or till finalization of new agency. The existing contractor is still working in the Zone. Tender Section has initiated action and in the process of finalization of floating fresh tender.
- (ii) AMC of STP and allied services in SEEPZ was given by MIDC to M/s. Siddivinayak Enterprises @ Rs. 41,00,000/- for a period since 2013 till 31.05.2017. On expiry of the contract, SEEPZ SEZ took over the AMC and vide letter dt. 12.03.2018 awarded the contract to Shri. Siddivinayak Entrps. for Operationalization and AMC of STP plant on the same terms and conditions of the MIDC work order dt. 14.05.2015 @ Rs. 41,00,000/- for a period of 3 months or till the finalization of the new agency. Tender was floated and the work is presently awarded to M/s. AR Envirotec vide letter dt. 15.09.2020 for AMC of STP. As regards, Water Harvesting, the Engineer has been asked to inspect and examine the functioning of the machine in consultation with MIDC officials.
- (iii) AMC of providing 5 Nos. of baggage scanner for gate No.1,2 & 3 and renovation work of server room of Gate No.1,2 & 3 Service Centre including miscellaneous work of Gate No. 2 & 3 and Service Centre in SEEPZ was given by MIDC to M/s. ECIL Rapiscan Ltd. which continued till 08.02.2014. AMC had expired on 07.02.2014 and MIDC asked to initiate action for AMC of baggage scanner. M/s. ECIL Rapiscan Ltd. had furnished their quote on 09.01.2014 for AMC to SEEPZ and accordingly SEEPZ SEZ Authority vide letter dated 07.03.2014 had given comprehensive AMC for a period of 5 years for 5 baggage scanner @ Rs.42,500/- per machine on quarterly basis w.e.f 08.02.2014. Presently the AMC of 5 Nos. of X-Ray Baggage has been awarded to M/s. ECIL Rapiscan Ltd. 07.03.2019 w.e.f. 08.02.2019 to 07.02.2024 for 5 years.
- (iv) As regards Access Control System and Electronic Surveillance system, Authority is in the process of finalization.

Further CRA in their audit objection had conveyed that the value of Rs. 549.50 lakhs for STP, Rs. 51.96 lakhs for AMC for Flood Light and Rs.212.53 lakhs has not been capitalized and shown in the books of accounts as Asset under the Head "Fixed Asset" resulting in understatement of fixed asset. CRA was conveyed that capitalization could not take place, due to uncertainty of final amount of the cost of the asset. However, the same will be capitalized on finalization.

As the aforesaid 3 projects are being maintained by SEEPZ SEZ Authority, the same may be capitalized in the books of accounts, so that audit objection may be dropped.

E) Recommendation:

The proposal for taking over 3 projects i.e. Capital assets from MIDC is placed before the Authority for consideration.

AGENDA ITEM NO. 06

A) Proposal :-

Proposal for implementation of reduction of tariff charges for electricity in SEEPZ SEZ.

B) Specific Issue on which decision of Authority is required :-

Approval for implementation of reduction of tariff charges for electricity in SEEPZ SEZ.

C) Relevant provision of SEZ Act, 2005 & Rules :-

Section 34 of SEZ Act, 2005 and Rule 7 (1) of SEZ Authority Rules 2009

D) Other Information :-

The Authority was briefed about the procedure w.r.t. reduction in the tariff charges for electricity. Ministry was also requested to intervene in the said matter and to convey GoM to urge the concerned department for reduction in the power tariff rates.

MoC, vide their communication dt. 21.07.2020, had sought clarification as to how the proposed distribution licence will help in reduction in the power tariff. Accordingly, SEEPZ SEZ Authority in its communication dt. 29.07.2020 had conveyed to MoC that, as per the provision of SEZ Act 2005 and provisions of Electricity Act, 2003, all SEZs are deemed distribution licensee for supply of electricity within their SEZ area and in the event of SEEPZ operationalizing their status of deemed distribution license and operating as separate licensee, a separate tariff would be determinate which would help majority of consumers

and eliminate cross subsidy and the tariff can be reduced from the present rate resulting in lower power cost to consumers. MoC had then informed SEEPZ that the matter should be finalized by the Zone itself observing the provisions of SEZ Act/Rules and GFRs. Ministry had informed that Power Secretary has already been requested for intervention in the said matter to arrive at a appropriate mechanism.

After deliberation, the Authority approved the proposal and agreed to float a tender viz. Expression of Interest. It was further decided that to scrutinize the EOI to be received in response to the advertisement, a committee to be formed which should include at least two members from trade who have been active in the process so far and for better understanding of the nitty gritty of the matter. Based on the receipt of the bids on Expression of Interest, a Consultant may be appointed for the execution of the said proposal, if needed. The Co- Developer agreement to be executed should be drafted carefully to avoid any future litigations and losses and should be vetted by a Legal Counsel/Contracts expert and preferably also by an expert in the field of power distribution.

Accordingly as per the decision of the Authority in the 42nd Authority meeting, NIT for Engagement of Consultant for assisting SEEPZ Authority in operationalising Power Distribution License in SEEPZ-SEZ Area, was published on SEEPZ website on 27.10.2020. The last date of bid submission was 17.11.2020. However due to non availability of bids, SEEPZ SEZ Authority had published Corrigendum for extension of last date of bid submission upto 01/12/2020. Further, Tender Committee had make amendments in Evaluation Criteria, hence SEEPZ SEZ Authority once again published Corrigendum dated 02/12/2020 and extended last date of bid submission upto 14/12/2020.

Further another NIT for Expression of Interest for developing a methodology for reducing current Electricity Tariff of consumers within SEEPZ-SEZ area by taking adequate steps to operationalize the Deemed Distribution

License as per provision of Electricity Act 2003 or by any other method was hosted on SEEPZ website on 10.12.2020 and the last date of bid submission is 30.12.2020. Subsequently advertisement has been published in 3 newspapers i.e. Times of India, Lokmat & Khabare Aaj Tak for wide publicity and healthy competition.

In respect of aforesaid 2 Tenders i.e. Engaging Consultant & Developing a methodology for reducing current Electricity Tariff this office has received bids and the Tender Committee is in the process of finalization of the bids/ contract.

E) Recommendation:

The proposal of updation for implementation of reduction of tariff charges for electricity in SEEPZ SEZ is placed before the Authority for information.

AGENDA ITEM NO. 07

A) Proposal :-

Proposal for implementation of Solar Power Project by MEDA.

B) Specific Issue on which decision of Authority is required :-

Approval for installation of Solar Roof Top Panel at SEEPZ-SEZ by MEDA

C) Relevant provision of SEZ Act, 2005 & Rules :-

Section 34 of SEZ Act, 2005 and Rule 7 (1) of SEZ Authority Rules 2009

D) Other Information :-

The proposal for implementation of Solar Power Project by MEDA under RESCO Model was placed before the 42nd Authority Meeting held on 30.09.2020. During the Meeting, Authority was briefed that the implementation of solar power project was re-examined in consultation with MEDA as per the directions of the Authority in its 41st meeting and it was conveyed by MEDA that they have agreed for RESCO Model where MEDA would implement the project through nominated developers and maintain the same for a period of 25 years. SEEPZ SEZ Authority need not own the responsibility towards plant maintenance post implementation of the Plant. Representative of MEDA had conveyed that SEEPZ will get the electricity at the discounted rate of Rs.2.74/- per unit against the current Electricity Tariff of DISCOM rate of Rs.11/- per Unit being charged by Adani Electricity, and that this a standard fixed rate for Government establishments.

Authority observed that Solar Energy Corporation of India Ltd. had also conveyed that they are also developing solar projects which can be installed in CAPEX or RESCO Model.

MEDA representative stated that a Power Purchase Agreement has to be executed between the developer and the SEEPZ Authority. The said agreement is a standard agreement and has been vetted by Ministry of Finance and Ministry of Law & Justice.

After detailed deliberation, the Authority approved that proposal in principal for RESCO model and also execution of the Power Purchase Agreement. However, Authority was also of the opinion that the proposal of Solar Energy Corporation of India Ltd. may be examined and they may be asked to quickly furnish their detailed proposal including the rate per unit of the power under RESCO model for comparison with proposal of MEDA before awarding the contract to MEDA.

Further this office vide letter dated 09.10.2020 & 26.10.2020 had asked Govt. agency i.e. M/s. Solar Energy Corporation of India Ltd. to furnish the detailed proposal including the rate per unit of the power under RESCO model for 5MW.

In response to our letter dated 09.10.2020, M/s. Solar Energy Corporation of India Ltd. vide their letter dated 21.10.2020 & 20.11.2020 has submitted the bidder list and informed to contact any of the bidders for site survey and further project activities & this list was forwarded to Electrical Engineer and asked him to contact any of them to undertake the rate per unit under RESCO Model for 5 MW.

It may be mentioned that the Electrical Engineer has examined the bidder list and stated that the Solar Energy Corporation of India Ltd. (SECI) vide their letter No. SECI/PS/112/2019/39564 dated 21.10.2020 have informed that the tariff rate at which solar power can be sold by their empanelled vendors to the roof top owners in RESCO (Renewable Energy Service Company) model is Rs.3.3/- per unit.

However, MEDA vide their letter No. REN/Govt./Build/RESCO Work Order/ CR-1/Solar/2019-20/2206 dated 02.07.2019 have informed that the tariff rate fixed by them at which their empanelled vendors can sell power to the roof top owners is Rs.2.7395/- per unit for the same model under the same scheme.

From the above, it is evident that the tariff rate fixed by MEDA is lower than that fixed by SECI for implementing Roof Top Solar Power Project in RESCO Model.

In view of the above, this office vide letter dated 21.12.2020 asked MEDA to execute the Power Purchase Agreement (PPA), before implementation of Solar Power Project.

Attention is invited to the guidelines issued by Ministry of New & Renewable Energy vide letter no. D.O. No.03/12/2016-17/GCRT dt. 29.09.16 wherein it is mentioned that the PPA agreement needs to be executed for RESCO model with the Developer selected through competitive bidding. MEDA vide letter dt. 09.09.20 has forwarded the model of PPA duly vetted by Dept. of Legal Affairs, Ministry of Law & Justice and Dept. of Expenditure, Ministry of Finance. MEDA has issued a work order dt. 02.07.2019 to their Developer i.e. M/s. Eurja Infrastructure for implementation of Solar PV Power plant under RESCO in Mumbai Divn. on Govt. buildings in Maharashtra State. Subsequent extension for installation of solar plant granted by MEDA to M/s. Eurja Infrastructure for a period upto 31.03.2021 for commissioning. The draft Power Purchase Agreement for execution with their Developer i.e. M/s. Eurja Infrastructure duly vetted by the Ministry of Law & Justice has been provided which would be executed shortly.

E) Recommendation:

The proposal for implementation of Solar Project by MEDA for implementation of 5 MW of solar power plant is placed before the Authority for information.

MNRE vide above ref. 05 has approved the time period extension up to 31.3.2021 for installation of 10 MW capacity of solar power project in Maharashtra State under "Achievement Linked Incentive Scheme for Government Sector". They have also informed that no further extension would be granted for the said project and complete the project work in extended time limit only.

In view of above, the time period extension for installation of grid connected rooftop solar plant under "Achievement Linked Incentive Scheme for Government Sector" has been granted up to 31.3.2021 for commissioning of the project under the said scheme.

Thanking you,

Yours faithfully,

General Manager (Solar)

3.0 - DISBURREMENT OF INCENTIVE

3.1 - The Incentive structure applicable is tabulated below -

Sr. No	Project Capacity	Achievement vis-a-vis target allocation	Incentive considering as per MNRE benchmark cost Office Memorandum dated 15.6.18
1	Above 8 MW (Sanctioned Period up to 30 th April 2020)	80% and above within the sanctioned period	Rs. 15,000/- per kW (1 to 10 kW) - For CAPEX Rs. 13,750/- per kW (10 to 100kW) - For RESCO's & CAPEX Rs. 13,250/- per kW (100 to 500kW) - For RESCO's & CAPEX
2	8 MW to 5 MW (Sanction Period up to 30 th April 2020)	Below 80% & above 50% including 50% within the sanctioned period	Rs. 9000/- per kW (1 to 10 kW) - For CAPEX Rs. 8,250/- per kW (10 to 100kW) - For RESCO's & CAPEX Rs. 7,950/- per kW (100 to 500kW) - For RESCO's & CAPEX
3	5 MW to 4 MW (Sanction Period up to 30 th April 2020)	Below 50% and above 40% including 40% within the sanctioned period	Rs. 6000/- per kW (1 to 10 kW) - For CAPEX Rs. 5,500/- per kW (10 to 100kW) - For RESCO's & CAPEX Rs. 5,350/- per kW (100 to 500kW) - For RESCO's & CAPEX
4	Below 4 MW	Below 40% within the sanctioned period	Nil

3.2 - The incentive shall be released after commissioning of the project and submission of Project Commissioned Report (PCRs) at the end of sanctioned period and submission of original audited statement of Expenditure (SOE). You will also make the sites / premises available for inspection by MNRE/SECI/MEDA or its designated team / agency. Minimum 40% of the sanctioned capacity has to be installed in order to avail incentives as per the above table 3.1.

3.3 - MEDA may consider to release incentive on case to case basis depending on the actions taken by you and subject to meeting the following conditions -

- The rooftop SPV power plant should be completed as per the scope of EoI and above clause no. 1.1
- The rooftop SPV power plant must get CEIG inspection certificate
- Intimated to the concerned DISCOM; You shall intimate the concerned DISCOM regarding implementation of grid connected rooftop solar PV projects and submit the copy of same to MEDA for the purpose of release of incentive.
- Owner Consent: In case you are not the owner of the project, subsidy shall be released to you after written consent of the rooftop owner only. For RESCO project owner shall be you.

4.1 - The schedule for completion of project shall be 30.4.2020 for all contractual purposes.

4.2 - If you fail to commission the sanctioned project within specified time i.e. on or before 30.4.20, no incentive shall be disbursed to you.

5.0 - Further, Division wise capacity allotment, brief information about scheme & Methodology for the said scheme is attached herewith for your necessary action. The scope of work and all relevant terms and conditions are applicable as per EoI.

Sub: Progress under Rooftop Solar Scheme to save tariff & meeting taken by
Cabinet Secretary on 23.07.2016

Kindly refer to the directions of Committee of Secretaries (CoS) in its meeting held on 23.07.2016 regarding Grid-Connected Roof Top Solar (RTS) systems in Government buildings (copy attached). The CoS had stipulated the deadline of 31.03.2017 for such projects on all Government/PSU buildings of every Ministry/Department.

2. Government offices can develop such projects by investing their own funds (CAPEX/EFC mode) or by engaging private developer (RESCO/PPA) mode. To facilitate development of such projects, Ministry of New and Renewable Energy (MNRE) has developed model bidding documents for both the modes and these are available on MNRE website. MNRE also supports development of such projects in Government/PSU buildings, under which achievement linked financial incentives. To facilitate full realisation of RTS potential, MNRE has also empanelled various PSUs for supporting Ministries and Departments in their projects. For this purpose, such PSU would sign MoU with the respective Department for undertaking competitive bidding for identifying developers for RTS projects.

3. For developing such projects, Government offices under the Department need to sign EPC Agreement for CAPEX mode or Power Purchase Agreement (PPA) for RESCO/PPA mode with the developer selected through competitive bidding. To facilitate expeditious development, MNRE has got the model PPA/EPC Agreement and MoU duly vetted by Department of Legal Affairs, Ministry of Law & Justice vide No.22055/1/2015 dated 30.8.2016 and by Department of Expenditure, Ministry of Finance, vide F.No.03/04/PC-II/2014 dated 3.9.2016. A copy of these duly vetted model documents is enclosed.

4. Further the empanelled PSUs have already established contact with your Ministry/Department and have initiated work on site assessment of various buildings. In this regard, I urge you to

सचिव को सौंपा जाता है

सचिव को सौंपा जाता है

सचिव को सौंपा जाता है

- (i) Conclude signing of the MoU with the empanelled PSU for developing the RTS projects.
- (ii) Review the progress of site assessments, bidding and installation of RTS projects along with the empanelled PSU.
- (iii) Issue clear directions to field offices for facilitating site assessment and for signing PPA or EPC Agreement with the developer identified based on competitive bidding.

Yours sincerely

AGENDA ITEM NO. 08

a) **Proposal:-**

Proposal for reduction in the reserve price for transfer of property.

b) **Specific Issue on which decision of UAC is required:-**

Approval reduction in the reserve price for transfer of property.

c) **Relevant provisions of SEZ Act, 2005 & Rules, 2006/Instruction/Notification:-**

Existing space transfer Policy at SEEPZ SEZ

d) **Other Information:-**

The proposal of draft exit policy and rent policy formulated by the Authority was hosted on the website and placed in the 18th Authority Meeting held on 03.06.2013 for unitholders in SDF-VII, Tower I & II and Multistoried Bldg, Independent Plots, wherein it was decided that the reserve price should be comparable with market price ascertained from the Govt. Valuer i.e. 75% of the prevailing circle rate of MIDC. Subsequently a modified Transfer Policy was formulated on 06.02.2014 wherein it was indicated by the Trade that the reserve price of 75% of circle rate of MIDC Ready Reckoner need to be reduced to 50% and accordingly it was hosted on the website.

Accordingly the proposal was taken in the 24th Authority meeting held on 16.02.2015 with a revised guidelines for the unitholders in SDF-VII, Tower I & II and Multistoried Bldg, and Independent Plots. Subsequently in 2015-16, the revised guidelines were issued for the benefit of the unitholders as per the defined parameters and guidelines.

Further, Transfer Policy was placed before the 34th Authority meeting held on 11.05.2018 wherein the Committee suggested that the same may be forwarded to MOC&I for their concurrence as per the recommendation of the DC's Committee Report submitted to MOC&I to allow, Authority to continue with the existing Transfer Policy so that the vacant space can be utilized for betterment of exports, employment generation and other aspects covered under the SEZ Act/Rules.

The said reserve price has been fixed @ 50% of the Ready Recokner value for transfer of property by way of auction. However due to the pandemic COVID-19 the value of property in the said area has reduced and come down to atleast 30%-40%. Therefore SEEMA /SGJMA had requested to fix the reserve price @ 30%-40% of the Ready Reckoner value. SGJMA is of the view that there are substantial space available for transfer and could not be able to get it transferred because of high reserved pricing. This results in showing negative trend because the supply will be more than demand.

It is seen that some of the Units are non-operational due to slow down of market conditions or court cases/litigation etc. who wishes to exit out of the SEZ Scheme and there are certain units who are willing to take over such units for the betterment of the exports, employment generation and development of infrastructure within their premises are not able to do so as the reserve price is on the higher size.

As the Trade/stakeholders have requested and looking at the present scenario and the pandemic COVID 19 and the market rate, the reserve price may be reduced to 40% against the defined 50% reserve price.

E) Recommendation of Estate Manager :-

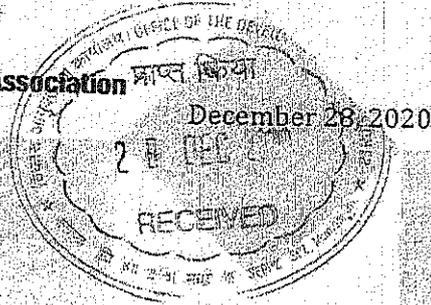

The proposal for reduction in the reserve price for transfer of property w.r.t unitholders having galas in SDF-VII, Tower I & II, Multistoried Bldg. and Independent Plots is submitted for consideration.

Sub: Revision in reserved price for bidding in respect of transfer of units

Sir,

As you are aware that the reserved price fixed during auction / bidding for transfer of property in SEEPZ SEZ has always been based on the Ready Reckoner value in the MIDC area adjacent / around SEEPZ SEZ.

In the earlier days, when there was demand in real estate, the reserved price was kept at 75% of the Ready Reckoner value for open bidding or sealed cover tenders. However, recently, this percentage was reduced to 50% of the said price.

It is a known fact that off late and particularly after spread of pandemic, the real estate value all over Mumbai has crashed to the extent of at least 30-40% of pre-Covid level. In the rental market, the position is still worst and there are no takers for such property. Apart from the impact of the pandemic, there was already substantial decline in the real estate market after the demonetization. No need to mention that the SEZ Authority must be experiencing the effect of this phenomena during the auctions / transfers effected in the recent past.

There is a recent example of selling of one building through liquidation process in SEEPZ SEZ where the market value is much below and the building is not getting realized.

Apart from the above, it is also worth mentioning that there is substantial space available for transfer in SEEPZ and we could not be able to get it transferred because of high reserved pricing. Therefore, when such substantial area is available for transfer, it is but natural that the prices would bound to show negative trend because the supply will be far more than the immediate demand.

Accordingly, it is proposed that the present level of reserved price of 50% of Ready Reckoner value may be revised to 35-40%. It is also important to note that if interested buyers are available, the price offered would be always higher than the reserved price.

Under the above circumstances, it is requested that the reserved price may be fixed at 35-40% of the Ready Reckoner value.

Thanking you,

Yours faithfully,

For SEEPZ Gems & Jewellery Mfrs. Association

SEEPZ SEZ AUTHORITY
SEEPZ-SPECIAL ECONOMIC ZONE, Govt. OF INDIA
MINISTRY OF COMMERCE & INDUSTRY
MUMBAI

TABLE AGENDA ITEM NO. 01

A) Proposal :

Proposal for reduction of labourers of M/s. Bohra Enterprises.

B) Specific Issue on which decision of Authority is required :

Approval of reduction of labourers of M/s. Bohra Enterprises

C) Relevant provision of SEZ Act, 2005 & Rules :

Section 34 of the SEZ Act, 2005 and proviso of Rule 7 (1) of the SEZ Authority Rules 2009.

D) Other Information :

The AMC for civil work viz. day to day maintenance was awarded to M/s. NFCD for the year 2018-19 on 18.03.2018 in Rs. 78,20,250/- per year and extended on 16.04.2019 till finalization of the new agency.

However, the Authority in its 37th Authority meeting held on 24.10.2019, held the view to terminate the services of the existing contractor viz. M/s. NFCD w.e.f. 30.11.2019. Accordingly a letter was issued on 21.11.2019 conveying the termination of the contract.

In the meanwhile, most of the units had raised issues related to the leakages in the building. Hence, Authority had decided to float a tender for day to day maintenance on labour cost basis.

Subsequently, in its 40th Authority Meeting held on 12.06.2020, the proposal was approved for award the contract to M/s. Bohra Enterprise @ 3,68,921/- per month with a strength of (1) Supervisor (3) Manson, (1) Carpenter, (1) Electrician, (1) Plumber, (1) Painter and (5) semi skilled helpers to assist them and (4) unskilled

sweepers for cleaning the sewer line chock up and any other similar work with their own tools and equipments, vide work order no. SEEPZ-SEZ:Estate:RQ-NRQ:220:2017-18:Vol-I:07405 dt. 03.07.20 and also subject to condition that the additional requirement of employees will be based on the work and prior approval of the Competent Authority for the specified work.

As per the work order, a procedure has been laid and accordingly Estimate of Works (EOW) is obtained from the Committee Members of respective buildings and submitted to the Competent Authority for administrative and financial approvals. On approvals either the material is purchased through GeM portal and if not available on GeM or declined by GeM, then through the Purchase Committee in conformity of Rules/provisions of GFR 2017.

It is now noticed that EOWs submitted by the Members of the Committee are time consuming process and work is delayed and the desired results are not achieving the goal and major repairs in SDF and G&J cannot be attended by such contractor in such a manner.

Presently, Authority is in process of floating a tender for inviting quotations from Govt./PSUs i.e. NBCC, MIDC, CPWD etc. which would undertake the major repair works like retrofitting/seepage etc. In anticipation of finalization of tender and appointment of new agency for major works, it is presumed that the labourers engaged by M/s. Bohra Enterprises will required to be reduced.

Since at present SEEPZ SEZ Authority does not have any major agency like MIDC as the Special Planning Authority to carry out the major/minor work, therefore, it is felt that inspite of appointment of new agency, minimal labourers of M/s. Bohra Enterprises i.e. one carpenter, one painter, one plumber, one mason and two helpers will be required to carry out the minor work of quarters and if required in SDFs & G & J Bldgs. for emergency work .

As regards electrical work, the services may be taken from the existing agency viz. M/s. Interlight who are maintaining and repairing the High Mast, Flood Light of the Zone and Quarters presently.

It is proposed that minor work may be carried out through day to day maintenance i.e. painting/carpentry, plumbing, & masonry works for which maximum value should not exceed more than Rs. 50,000/- on each occasion.

The reason for reduction is that on appointment of new agency for major work, they would deploy their contractor and laboureres and hence payment to both the agency would increase the cost of Authority.

Hence, in order to minimize/reduce the manpower and cost of M/s. Bohra Entrps., the minimum labour cost would amount to as follows and may be considered:

Sl No	Description	Quantity (No)	Rate per month (Rs)
1	Mason	1	23025.56
2	Carpenter	1	23025.56
3	Plumber	1	23025.56
4	Painter	1	23025.56
5	Unskilled Helpers	2	38620.32
	Total	6	130722.56

Further if in case of any emergency work in the SEEPZ Service Centre Bldg. or in quarters, the EOW will be prepared by the Engineer with the approval of Maintenance Committee.

In view of the above, it is also to mention that Unitholders are no longer complaining since the past few months as it appears that major work are being taken care of. However the pace of work is not upto the optimal level. Also on reduction of the labourers, Authority will ensure that the minimal labourers will be utilized to the optimum level.

The reduction in the sanctioned strength would help the Authority to the miniature cost of Rs. 1,30,723/- per month against the work order of Rs. 3,68,921/- per month.

Also for any urgent work if extra manpower is required to execute the work, Estate Manager may be empowered to arrange the number of extra helpers for the work. Further for the said purpose and to meet the expenditure on urgent nature on exigency an imprest advance of Rs. 20,000/- may be sanctioned to Estate Manager for immediate usage.

E) Recommendation :

The proposal for reduction of labourers of M/s. Bohra Enterprises is placed before the Authority for consideration.

JDC, SEEPZ-SEZ | - | Member/Secretary |

Special Invitee :

- (i) Shri. Shishir B Nevatia, Director, M/s. Sunjewels Pvt. Ltd.
- (ii) Shri. Raju Kumar, Asstt. Development Commissioner, SEEPZ SEZ

The Chairperson welcomed the Members of the SEEPZ-SEZ Authority and thereafter Agenda was taken up for discussion.

Agenda Item No. 1 : Confirmation of the Minutes of the 38th Meeting held on 31.12.2019.

The Minutes of the meeting held on 31.12.2019 were approved with consensus.

The Chairperson had a detailed discussion on Agenda item no. 4 of the minutes of the meeting dt. 31.12.2019, w.r.t. the AMC for passenger and freight lifts installed at SDFs and Gems & Jewellery Complex. Authority was conveyed that a detailed inspection of 16 lifts was conducted by the Electrical Engineer alongwith Chief Electrical Inspector, and a rough estimated cost was analyzed for change of spare parts such as VFD drive, trailing cable, rope, pulley groovers, control wiring formator etc. Engineer briefed that cost of parts was not made a part of fixed tender cost as any contractor may then avoid making essential replacement hoping to finish his contract period with the minimum of parts replacement, and also because replacement of parts would have to be done by high quality parts, to minimize chances of mishap, which would require intervention of Authority engineers in finalizing brand etc of part to be replaced. The Authority was conveyed that the contract awarded to M/s. Jay Bhagwan Elevators Co. is the lowest bidder amounting to Rs. 32,03,585/- for a year i.e. Rs. 10,84,400/- for AMC of the passenger and freight lift and @ Rs. 21,19,185/- for repairs/replacement of the damaged parts, if any. It will be responsibility of the Authority Engineer to ensure that only required parts are procured by the Vendor as per the quotation given in the bid document.

Authority had enquired w.r.t. Agenda item no. 6 w.r.t. cleaning of gutter, drainage and sewerage lines and removal/disposal of the same within SEEPZ SEZ premises and residential complex, and it was briefed that the same is placed in the ensuing meeting. Directions of the Authority of the 39th meeting was taken care and action as directed was taken and the same was examined in detail.

Also w.r.t. Agenda item no. 8 of the meeting held on 31.12.2019 for estimate for day to day civil maintenance of the Zone and Residential Quarters, the Authority was conveyed that the said agenda is being taken in the meeting and the additional labourers if required will be deployed and payment will be made only on labour cost. Purchase of material will be strictly according to GFR. Officer handling Estate will be responsible to ensure compliance to GFR.

Agenda Item No. 2: Hiring of Vehicle for Authority

The Authority was briefed that the efforts were taken on GeM portal for selection of the agency for hiring of vehicle and on detailed examination of the technical and financial bids on GeM portal, the lowest bidder was found suitable and accordingly the contract was awarded to M/s. Sarita Travels @ Rs. 9,83,760/- for a year i.e. for providing 2 vehicles (sedan) one each for Authority and for SEEPZ Administration @ Rs. 40,990/- per month per vehicle as per Rule 149 of the GFR 2017.

After deliberation, the Authority noted the services of hiring of vehicle for Authority for a period of one year w.e.f. 03.03.2020 @ Rs. 40,990/- per month per vehicle i.e. Rs. 9,873,760/- on a yearly basis.

Agenda Item No.3: AMC for Air Conditioner Machines installed at SEEPZ Service Bldg., all 3 gates and EPC Bldg.

The Authority was apprised that the efforts were made to identify the service provider in GeM portal for annual maintenance of Air conditioner machines. However, as no service provider was available, hence, action was initiated for open tendering in terms of Rule 201 of GFR 2017. On examination of the technical and financial bids, the Committee unanimously recommended the award to the deserving bidder i.e. M/s. S.K. Cool Service for a yearly contract of Rs. 1,91,660/- per year.

19/12

After deliberation, the Authority noted the AMC of Air conditioner machines installed at SEEPZ Service Centre, 3 gates and BFC Bldg, to M/s. S.K. Cool on a yearly basis @ Rs. 1,91,650/-

Agenda Item No.4:AMC for cleaning of gutters, drainage and sewerage lines within SEEPZ premises including SEEPZ Residential Complex and removal/disposal of the same.

The Authority was appraised that tender was floated on number of occasions as the Authority had not received any bids. After several attempts, on floating the tender on 19.11.2019 on website, CPP portal and wide publicity. The office had received 3 bids and on technical and financial examination, the Committee unanimously, recommended the deserving contractor viz. M/s. Prime Toll & Metal Recoveries Pvt. Agenda Item No.6 : Proposal for AMC for Access Control Systems and CCTV cameras system.

The Authority was apprised that the Access Control System and 153 CCTV installed in the SEEPZ SEZ by MIDC was stabilized and was working in Jan. 2016 and the same was maintained by them during the defect liability period. However before taking over the project from MIDC, it is seen that the CCTV cameras are not functional as on date. Presently, each and every camera is defunct.

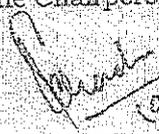

Authority was also apprised that as per the directions of the 39th Authority meeting efforts were made to identify the service provider in GeM portal for annual maintenance of Access control system and CCTV cameras. However, as no service provider was available, hence, action was initiated for open tendering in terms of Rule 201 of GFR, 20174. Tenders were floated and 4 bids were received. On examination of the technical and financial bids on 01.06.2020, the Tender Committee has examined and unanimously selected M/s. MVIIRTECH being the deserving eligible bid for AMC of CCTV cameras @ Rs. 5,11,000/- on monthly basis i.e. Rs. 1,22,64,000/- for 2 years, inclusive of all costs of equipment, parts etc. with penalty clause for default in services.

The Authority was also appraised that Annual Accounts for the year 2019-20 accounts could not be finalized as TDS details could not be collected due to lockdown. However, it was decided that the Annual accounts would be finalized and taken up in the next meeting.

The Meeting ended with a vote of thanks to the Chair.

This issues with the approval of the Chairperson of SEEPZ SEZ Authority.
