

Date.19.01.2026

Note

Subject: Extension of Date for Submission of Quotations – Power Supply Provision for Phase Detection System at Gate No. 1 & Gate No. 3

It is submitted that this office had issued a notice dated 24.11.2025 inviting quotations for the work related to the provision of power supply for the Phase Detection System at Gate No. 1 and Gate No. 3, with the last date for submission of quotations fixed as 28.11.2025. The notice was duly published on the SEEPZ-SEZ official website.

However, it is observed that no quotations have been received from any vendor within the stipulated time.

In view of the above, approval is solicited to extend the last date for submission of quotations and to republish the same notice, without any change in scope, specifications, or terms & conditions, up to 29.01.2026.

This extension is proposed to ensure adequate participation and to obtain competitive rates for the said work.

19/01/2026.
