Marketing strategy/buyback plan

The applicant has mentioned that, for marketing of products from the proposed SEZ Unit, they will establish a separate dedicated marketing department for reaching out to prospective customers. They regularly participate in national and international exhibitions and trade fairs for enhancing brand visibility, generating business leads, and expanding their global customer base. Further, they will focus on strengthening relationships with existing clients and exploring new export markets to ensure sustainable business growth from the proposed SEZ Unit.

Other information

M/s. SRS Pharmaceuticals Private Limited (SPPL), incorporated in March 2001, is an innovation-driven healthcare company engaged in pharmaceutical manufacturing and Research & Development (R&D). With origins dating back to 1995, the company offers a diverse portfolio including antibacterial, anti-retroviral (Anti-AIDS), herbal, and patient-centric healthcare solutions.

SPPL commissioned a state-of-the-art oral solid dosage manufacturing facility in Palghar District in November 2023 and established a DSIR-approved R&D Centre at Rabale, Navi Mumbai in March 2023. The R&D Centre specializes in formulation development, analytical development, API research, custom synthesis, stability studies, impurity profiling, and regulatory support for international markets such as the UK and the USA.

The company focuses on innovation-driven, affordable, and accessible healthcare solutions, particularly for emerging and underserved markets. SPPL has also developed patient-centric innovations such as an AI-enabled stethoscope, chewable antibiotic formulations, and tablet-based oral suspensions to improve patient compliance and accessibility.
