9	30063000	C - T b 100 Million doses	30063000	C - T b 100 Million doses	No Change

**c. Relevant provisions of SEZ Act, 2005 & Rules, 2006/Instruction/ Notification :-**

As per 1<sup>st</sup> proviso to Rule 19(2) of SEZ Rules, 2006, “the Approval Committee may also approve proposals for broadbanding, diversification, enhancement of capacity of production, change in Items of manufacturing or service capacity, if it meets the requirements of Rule 18”.

**d. Other Information: -**

- M/s. Serum Institute of India Pvt. Ltd. (Unit – PBP-I) have been issued LOA No. SEEPZ/NEWSEZ/SIPL-SBSPL/03/2015-16 dated 10.03.2016 located at Poonawalla Bio-technology Park SEZ (Developed by SEZ Bio tech Services Pvt. Ltd.), Manjari Budruk, Taluka Haveli, Pune 412307.
- **DCP:** 18.10.2019
- **LOA Valid up to:** 17.10.2029

**Reasons for Updating the ITC HS Code in LOA**

The Unit has stated that the Indian Customs Tariff was comprehensively rationalized and realigned on 01 January, 2022 adopting the 7<sup>th</sup> edition of the Global Harmonized System (HS-2022). Resultantly, many of the items of manufacture approved in the subject LOA have undergone modification in their ITC/HS Code as per the above table. The unit has confirmed that the changes in ITC/HS Codes/description of the items of manufacture have been requested with a view to comply with the updated Indian Customs Tariff and that the same will not alter the production capacity and approved projections/conditions of the LOA.

**Specified Officer’s Verification Report**

The Specified Officer vide letter dated 17.06.2026 has submitted that, “For item Sl.No. 1, 2, 4 and 6 of the above table there is change in ITC HS Code w.e.f. 01.01.2022 due to adoption of the 7<sup>th</sup> edition of Global Harmonised System (HS-2022) in the Indian Customs Tariff. Similarly, for S.No. 1, the item description is changed to "Vaccines for human medicine" under Chapter 300241 of the Customs Tariff w.e.f. 01.01.2022. Products which were earlier classified under Ch 300220 of the Customs Tariff are now classified under Ch 300241 of the Customs Tariff w.e.f. 01.01.2022.

Further, product earlier classified under Chapter 30021099 is now classified under Chapter 30024119 of the Customs Tariff w.e.f. 01.01.2022. In fact, the old HS Codes of 300220 & 300210 are omitted from the Customs Tariff w.e.f. 01.01.2022 as seen in the Chapter 30 Tariff Codes obtained from the CBIC website (Copy enclosed for reference), as these are now classified under Ch 300241.

The change in HS codes/description, will not alter the production capacity or any other projections/conditions of the LOA.”

**e. Recommendation:**

Approval Committee may like to consider the request of the Unit for updating the ITC HS Code in the LOA in terms of Rule 19(2) of SEZ Rules, 2006.
