In order to ensure adherence to the fees scale stipulated in Section 8c of the Wealth Tax Act, the financial quotation template is now revised. Please refer to the revised excel BoQ template and the following points for clarity:

- Participating valuers are requested to quote percentage fees against each of the four slabs. In case percentage rate against any slab is left blank, no fees shall be payable to the concerned bidder for that slab. However, the ceiling percentage as per Section 8c of the Wealth Tax Act shall be applied to that slab for comparison of rates.
- The rupee amounts are calculated for comparison purpose only. Since there is no upper cap for the fourth slab, lumpsum figure of Rs.10 Crore has been taken merely for comparison purpose.
- Actual payments shall be based on the percentages quoted by the valuer against the four slabs.
